

## Historical and City Tours

See why Northern Nevada is like no other place on Earth. Big city excitement, small town hospitality...that's what Reno is all about. As our tours make its way throughout the city you will view the Reno Arch, "The Biggest Little City in the World," historical landmarks and downtown Reno. Our **Reno City Tours** include 'one of a kind' attractions such as National Automobile Museum, Lavender fields/distillery and Wilber D. Mays Collection. The History of the West is still very much alive in the Sierra Nevadas and we have several tours and options available to explore the natural beauty and history while you are here.

Our **Lake Tahoe Tours** and **Donner/Truckee Tours** take you to the highest lake of its size in the United States and the largest alpine lake in North America. Lake Tahoe is a unique and beautiful national treasure that also boasts a rich and colorful historical past. The Washoe Indians had been gathering at its shores for centuries when American explorers Kit Carson and John Fremont came upon it in 1844. The Lake Tahoe Basin was a summer gathering place for three tribes of these peaceful Indians, who considered the Lake to be a spiritual site.

## Cultural Tours

**El Dorado Wine Tour** beckons visitors with a wide diversity of award winning wines, friendly tasting room staffs and idyllic views of snow-capped mountains and oak-studded foothills.
