A RENO-TAHOE 2010 WELCOME

Hello and Welcome from Mayor Cashell!

On behalf of the "Biggest Little City in the World," I am pleased to extend a warm welcome to all attendees of the 64th Annual International Institute of Municipal Clerks Conference being held in Reno, May 23-27, 2010.

I want to thank the International Institute of Municipal Clerks for choosing Reno to host their Conference. We are honored to have local government officials from throughout the United States and many other countries here in Reno.

The "Biggest Little City in the World" is in the midst of a renaissance, an exciting time of change and creative improvement with something distinctive to offer everyone: entertainment, fine dining, gaming, special events, performing arts, museums, beautiful parks, shopping, and the incomparable beauty of our surrounding high desert and the grandeur of the nearby Sierra Nevada Mountains.

From the Truckee River Whitewater Park in the heart of downtown Reno to new shopping opportunities throughout our community, Reno is bursting with new life and activity.

Lake Tahoe, Virginia City, and Native American reservations are all within a short drive from Reno. The Truckee Meadows and surrounding area provide unlimited indoor and outdoor recreational activities. Spectacular Lake Tahoe and the largest concentration of ski areas and ski facilities in the world are all within a fifty-mile radius. Biking, camping, hunting, fishing, and mountain climbing are all activities Reno residents and visitors enjoy.

Best wishes for a successful conference. I hope everyone will experience a most enjoyable visit and will return to Reno again and again.

Sincerely,
Robert A. Cashell, Sr.
Mayor

VOLUNTEER TO SHOWCASE RENO!

The Reno-Tahoe 2010 Conference is fast approaching, and we continue to solicit support for the various special events. Based on the financial sponsorships received so far, the Registration and Hospitality Conference Committee is seeking volunteers for the MCEF Walk from the Utah Clerks. The Utah Municipal Clerks' Association has made a generous contribution towards the Opening Ceremonies Keynote Speaker Dean Karnazes. Dean is the Ultramarathon Man and one of Time Magazine's "Top 100 Most Influential People."

The 2010 Conference Committee is also reaching out to the City Clerks Association of California for their support in assisting with the Opening Reception. We look forward to our Texas volunteers assisting us as we offer our guests a good ole' western welcome.

If you wish to volunteer there are ample opportunities throughout the week, including welcoming delegates at the Reno-Tahoe International Airport, assisting with delegate registration, and greeting guests at the Nevada Hospitality Booth located in the exhibit hall.

*Thank you for
allowing me to serve you!*

Dear Colleagues! ~

It is hard to believe three years have nearly passed since assuming my role as your Region VIII Director. Following the Reno-Tahoe conference, I will be turning over this important and awesome responsibility to Debra Owen, City Clerk of Sioux Falls, South Dakota. During my tenure, I have had the opportunity to visit many of you in your cities and at your state conferences. It has been an honor serving and a pleasure getting to know so many of you. Region VIII represents 11 states. As you might imagine, it can be challenging to stay connected on a regular basis. It is my hope that you have found the Region VIII newsletter and our occasional news blasts helpful along with our annual conference meetings.

Region VIII is a strong region of dedicated municipal clerks, and I'm proud to have represented your interests. Over the course of 2-1/2 years, I've had the privilege of attending state meetings, annual conferences, mid-year board meetings, and participating in many committee teleconferences! I've learned so much about our membership and IIMC by serving on the following committees on behalf of you and IIMC:

- Constitution Policy Review Task Force
- Conference Policy Committee
- Executive Director Evaluation Task Force Chair
- Accreditation Committee
- Conference Policy Committee
- 2010 International Conference Host

Stephanie and Debra will continue to keep you connected, and I welcome you to stay in touch with me in the future. If you ever visit Southern Nevada, I would love to offer you some special Henderson

hospitality! I look forward to hosting 2010 with our Nevada team, and I truly hope you will each be able to attend and support this amazing organization. In the meantime, enjoy the winter season, and please extend your support and warm welcome to Debra Owen.

Warm wishes,

Monica Martinez Simmons

REGION VIII BOARD OF DIRECTOR APPOINTMENT SCHEDULE

During the 2006 IIMC Conference held in Anaheim California, Region VIII members held a meeting and reached a consensus that every state within Region VIII should be given an opportunity to have representation at the IIMC Board level. IIMC has provided a list indicating which states have had representatives serve on the IIMC Board of Directors. The information below was received:

Arizona – 1979, 1984, 1993, 2006
Colorado – 1982, 1985, 1988, 1999
Idaho – None
Montana – 1994
Nebraska – 1982, 1991, 1999, 2005
Nevada – None
New Mexico – 1979, 1990, 1997, 2001
North Dakota – None
South Dakota – 2010
Utah – 1987, 1988, 1996, 2002
Wyoming – None

Members agreed that our organization would benefit by establishing a Region VIII agreement whereby we have a standing list indicating which state should have a representative serve on the Board next. Once a Board opening occurs, the list will be referenced when contacting the state's president asking them to provide a nominee to serve on the Board. If they do not wish to nominate anyone, we will then move down the state list. Based on the foregoing information, the list below identifies which state should be in line to have a representative serve on the IIMC Board of Directors. (Note: In some cases a drawing was held to establish the ranking.)

1. South Dakota
2. Wyoming
3. Montana
4. Colorado
5. New Mexico
6. Utah
7. Nebraska
8. Arizona
9. Nevada (2007)
10. North Dakota (declined 2008)
11. Idaho (2008)

In order to honor the Region VIII Agreement, we ask that states not submit a nomination until their turn in the rotation based on this listing.

NEWS FROM OUR REGION

Wyoming

At our board meeting in October, WAMCAT board members chose to continue on the same path that we've been on, continuing to identify and develop our goals previously set.

One of our goals, to continue to provide quality, affordable educational forums will be highlighted again in January by bringing in high quality speakers and providing an educational program for all of our clerks and treasurers. All of our programs are offered as education points towards CMCs and MMCs.

We started working on regional contacts for mentoring or outreach for our new clerks and treasurers. We are hoping to get a program in place where new clerks will feel comfortable to contact other clerks in their area for assistance and information.

With our workshop in January, we will transition our annual business meeting from summer to the winter conference. We continue to update our clerks and treasurers handbook. This handbook has been a major resource for all our clerks and treasurers.

We have also started to research the possibility of a Wyoming Institute through the University of Wyoming. We would need to have at least 20 clerks commit to the program and with distances and very few cities or towns in the state it will be difficult. This will be discussed with our members at our next meeting.

Most importantly, the WAMCAT Board decided to offer to host the IIMC Region VIII Conference in conjunction with our Winter Workshop in Jackson, Wyoming in 2011. The Town of Jackson has been very supportive and we would enjoy having everyone from Region VIII experience Wyoming, especially the very scenic and beautiful city of Jackson, Wyoming.
